

Shake

Tamta

I wanna do the shake
Until the morning awake
Baby, I gotta leave you
'Cause you don't know how to play

You're always killing the happiness
You fill my life with the loneliness
You drive my soul to the emptiness
So I gotta let you know

Ooh oh oh...

Baby, 'wanna go, wanna go, let me go

Ooh oh oh...

Baby, 'wanna go, wanna go, let me go

Ooh oh oh...

Baby, 'wanna go, wanna go, let me go

Ooh oh oh...

'Cause baby, I need nothing more than rock 'n' roll

I wanna stay in the groove
'Til the end of the day
Oh baby, I cannot please you
'Cause you don't know how to play

You drive my space to the gravity
You fill my mind with morality
You hunt my dream with reality
And I gotta let you know

Ooh oh oh...

Baby, 'wanna go, wanna go, let me go

Ooh oh oh...

Baby, 'wanna go, wanna go, let me go

Ooh oh oh...

Baby, 'wanna go, wanna go, let me go

Ooh oh oh...

Baby, I need nothing more than rock 'n' roll

Ooh oh oh...

Baby, 'wanna go, wanna go, let me go

Ooh oh oh...

Baby, 'wanna go, wanna go, let me go

Ooh oh oh...

Baby, 'wanna go, wanna go, let me go

Ooh oh oh...

'Cause baby I need nothing more than rock 'n' roll

(Baby 'wanna go, wanna go, let me go)
