

Unloved

Tamta

You steal my heart put me on your throne
You make me feel like the only one
Don't leave me in the dark, leave me in the dark
Boy, you want it I can see it in your eyes
If you want me baby keep me in the light
Don't leave me in the dark, leave me in the dark

Cause I don't wanna be unloved
Don't unlove don't unlove don't unlove me
I don't wanna be unloved
Don't unlove don't unlove don't unlove me
Cause I don't wanna lose your love
Don't unlove don't unlove don't unlove me
I don't wanna be unloved
Don't unlove don't unlove don't unlove me
Don't unlove me, don't unlove me

Do what we want we could have it all
Yeah, all we got is original
Don't let it fall apart, let it fall apart
Boy, you want it I can see it in your eyes
Yeah, if you want me baby keep me in the line
Don't let it fall apart, let it fall apart

Cause I don't wanna be unloved
Don't unlove don't unlove don't unlove me
I don't wanna be unloved
Don't unlove don't unlove don't unlove me
Cause I don't wanna lose your love
Don't unlove don't unlove don't unlove me
I don't wanna be unloved
Don't unlove don't unlove don't unlove me
Don't unlove me, don't unlove me

Cause I don't wanna lose your love
Don't unlove don't unlove don't unlove me
I don't wanna be unloved
Don't unlove don't unlove don't unlove me
Don't unlove me
