

# Raindrops Will Fall

Tamyra Gray

There's a time 4 every star 2 shine  
And a place 4 every dream 2 see the light  
When u have everything  
U don't need another reason 2b something

Hold on, and look to your faith  
Can't let nobody, nobody get in your way

I walked thru the fire  
Fought thru the ragin storm  
Til I found the peace  
That's inside of me  
I've got 2 b strong  
I stand 4 my dreams  
I was made 4 this moment  
Take me as I am  
Or nothin at all  
I'll keep holdin on  
Raindrops will fall

Haunting echoes from a careless word  
You'll never know how much they hurt  
Dreams are precious don't you know  
But they are so hard to follow

Hold on and look to your faith  
Don't let nobody, nobody get in your way

I was taught not 2 run away  
Cuz raindrops will always fall on your face  
When it seems like all hope is gone  
Gotta get thru the storm  
B4 you can see the dawn  
This is all I am  
This is all I know  
And I won't never ever let go  
No I won't let go
