

# Good Good

TANERÉLLE

Say you want some lovin' wanna feel lost  
Ooo you know I got plenty  
Boy kick off them shoes and take a load off  
Come and spend some time with me

No babe I got it come here let me rub your feet  
No babe I got it do you want something to eat  
I know you tired it's been one hell of a week  
And everything you need is on me

Imma make you feel good baby  
Let's wash off your day and get right  
Imma make you feel good baby  
Take a hit of me and get high  
Imma make you feel

No rush, go slow, no time  
No lows, no clothes, just vibes  
I know just what you like  
Let's go, let's blow your mind

Imma make you feel good  
Imma make you feel good

How you like it hot or like it cold  
How you want it bed or on the floor  
How you make me feel it in my soul

Keep your dirty laundry never fold  
Never been the one to want control  
If I'm the one then you'll be back for more

No babe I got it come here let me rub your feet  
No babe I got it do you want something to eat  
I know you tired it's been one hell of a week  
And everything you need is on me

Imma make you feel good baby  
Let's wash off your day and get right  
Imma make you feel good baby  
Take a hit of me and get high  
Imma make you feel

No rush, go slow, no time  
No lows, no clothes, just vibes  
I know just what you like  
Let's go, let's blow your mind

Imma make you feel good  
Imma make you feel good
