Next, huh
I can change yo' mo'fuckin' life

They rockin' me
Blastin' through they beats, up and down your street
No stoppin' me
Hustle; check; repeat
Ain't no time for sleep
Stay jockin' me
Boy, you better plead, get down on your knees
I gotta feel you wanna be on the winning team
I'm just dream-girl from Atlanta, feeling wildish
I'm racking up just like I said, and they can't stand it
You know you dealin' with a savage
I'll be to the next in a breath, nigga, I can change your muhfuckin' life

I can change yo' mo'fuckin' life
I can change yo' mo'fuckin' life

You can change my mo'fuckin' life
You can change my mo'fuckin' life
You can change my mo'fuckin' life
You can change my mo'fuckin' life

I can change yo' mo'fuckin' life
I can change yo' mo'fuckin' life
I can change yo' mo'fuckin' life
I can change yo' mo'fuckin' life
