

Chain Of Fools

Tank

Well I never thought that I was your man but I found out I'm just a link in this chain
She's got me where she wants me I ain't nothing but a fool
She treated me mean, yeah treated me cruel
Chain, chain, chain, chain, chain of fools
One fine morning this chain's gonna break on that same morning
will be all I can take
She found me another woman that my heart never sees
Now I'm a first class fool yeah not the first to be
Chain, chain, chain, chain, chain of fools
I never want to leave you alone my momma says to come on home
My doctor says I better take it easy 'cause your loving is too strong
Well I never thought that I was your man but I found out I'm just a link in this chain
She's got me where she wants me I ain't nothing but her fool
She treated me mean, yeah treated me cruel
Chain, chain, chain, chain, chain of fools
