Yeah..... Alright  
First let me say I've never loved no one  
the way that I love you girl  
but I hate to say  
I've tried and I'm almost done  
with all this me and you girl  
So why can't I leave when I know you and me  
probably going be fighting again  
then we going be right here again  
I'm Trying not to look cuz thats all it took  
the last three times  
so you see that's why

I'm trying to make it out the door before she start to Cry  
Cry  
I'm hearing tears hit the floor I think she starting to Cry  
Cry  
I almost made it I said what I had to say  
and she knows I hate it cuz it makes me want to stay  
When she Cry Cry Cry Cry Cry  
I made up my mind but then she started to cry

God make it rain, rain drops would hide her tears  
please help me  
don't let it start 'til I'm somewhere far from here  
please help me  
ooh I want it over  
but it aint over  
she's getting closer  
now she's on my shoulder  
she's doing it again  
I don't know if it's ever gonna end  
don't want to go back where we've been  
And that's why

1 tear I still got my bags backed  
2 tears I'm walking but I'm looking back  
3 tears she know she going to win  
before they hit the floor I'm doing it again  
5 I'm turning back around  
6,9,12 now I'm losing count  
Back in the house, back on the couch  
thought we was breaking up but now we working it out

Cry
