

## Justice for All

Tank

Justice for all, Justice for Kings  
Justice from God, see what that brings you  
One thousand deaths a thousand warrior souls  
One thousand deaths? Here's a thousand more

Justice for all, Justice for me  
Justice for all, Justice for the young and the free  
One thousand loves a thousand lovers more  
A thousand less here's a thousand more

It's a war without end we fight with our God on our side  
It's a war without end we fight we believe we are right  
To bring JUSTICE FOR ALL

JUSTICE FOR ALL

Justice for all, Justice for  
Justice for all, Justice for

It's a war without end we fight with our God on our side  
It's a war without end we fight we believe we are right  
To bring JUSTICE FOR ALL
