

## Puke

## Tankard

Drink! this beer is for my health  
And have a couple more  
Drink! Until the beer is gone  
And pass out on the floor

Puke! Puke! I drank too much  
Vomit on the chair  
Puke! Puke! I drank too much  
Even in my hair

Drunk! The room is spinning  
It's turning round and round  
Drunk! My stomach let me know  
As I fell to the ground
