

# Under Friendly Fire

Tankard

The Yearning! For Conflict! I am a Cowboy from up 'nigh  
I've got my Go Pills-I'm a Winner!  
On the way up I'm gonna get high!  
I'm speeding! Do I care?  
Demitry orders us to fly  
Amphetamines have made us Killers  
Ooops! British Troops! Was that a Crime?

Bleeding and Suffering!  
Descision met-Thy will is done  
I don't recall much of the Mission  
Carried it out-sure must've been fun  
Bleeding and Suffering! Nowhere to run

Under Friendly Fire- Speeding with a Gun  
Under Friendly Fire- Where's my go-pill?  
Under Friendly Fire- To impress my Son  
Under Friendly Fire- That's my final thrill!

I'm craving - I need some! The Dealer Doctor's on my  
mind!  
The Pentagon wills "Pre-Flight" Dinners  
To stay awake, not follow behind  
I'm speeding, Do I care?  
Adrenaline dictates my crime  
Canadians are not the the Winners  
The Ground Troops dead-I'm doing fine

Bleeding and Suffering! What has my Country done to me?  
A blind Robot with lot's of Uppers  
Gonna get wild and gonna kill thee  
Bleeding and Suffering! Nowhere to run

Under Friendly Fire- Speeding with a Gun  
Under Friendly Fire- Where's my go-pill?  
Under Friendly Fire- To impress my Son  
Under Friendly Fire- That's my final thrill!  
The Yearning! For Conflict! I am a Cowboy from up 'nigh

I've got my Go Pills-I'm a Winner!  
On the way up I'm gonna get high!  
I'm speeding! Do I care?

Bleeding and Suffering! Nowhere to run

Under Friendly Fire- Speeding with a Gun  
Under Friendly Fire- Where's my go-pill?  
Under Friendly Fire- To impress my Son  
Under Friendly Fire- That's my final, that's my final,  
that's my final thrill!
