

Backroad

Tanner Adell

Backroad

With the cowgirl style
Get you lit right with my red bottom Corrals
To the backroad
Sippin' on that homemade clear
Shine like a diamond, baby
Maybe crack a couple beers

I got rattlesnake skin on my boots
Alligator head hangin' on my belt loop
Cop a couple grills for the smile, never shy, no
Spend a couple racks at the tractor supply co
Baggy jeans saggin' with the panty peekin'
Actin' like they not but I catch a cowboy creepin'
While you skrrrr all the curves got the stick in the glove box
Sneakin' like a fox in the sticks when the sun drops

Take me to the backroad
With the cowgirl style
Get you lit right with my red bottom Corrals
To the backroad
Sippin' on that homemade clear
Shine like a diamond, baby
Maybe crack a couple beers
On a backroad
With the cowgirl style
Get you lit right with my red bottom Corrals
To the backroad
Sippin' on that homemade clear
Shine like a diamond, baby
Maybe crack a couple beers

On a backroad, backroad, yeah
Backroad, backroad, yeah
Backroad, backroad, yeah
Backroad, backroad, yeah

You can take me outta town
Music up real loud
When the neon lights go down
Go down, go down
You can take me outta town
Let the whiskey drown us out
When the neon lights go down
Lift kit, lip dip

Then take me to the backroad
With the cowgirl style
Get you lit right with my red bottom Corrals
To the backroad, sippin' on that homemade clear
Shine like a diamond, baby, maybe crack a couple beers
On a backroad
With the cowgirl style
Get you lit right with my red bottom Corrals
To the backroad
Sippin' on that homemade clear
Shine like a diamond, baby

Maybe crack a couple beers

On a backroad, backroad, yeah
Backroad, backroad, yeah
Backroad, backroad, yeah
Backroad, backroad, yeah

You can take me outta town
Music up real loud
When the neon lights go down
Go down, go down
You can take me outta town
Let the whiskey drown us out
When the neon lights go down
Lift kit, lip dip
Then take me to the...

I said take me to the backroad
With the cowgirl style
Get you lit right with my red bottom Corrals
To the backroad, sippin' on that homemade clear
Shine like a diamond, baby
Maybe crack a couple beers
On a backroad
With the cowgirl style
Get you lit right with my red bottom Corrals
To the backroad, sippin' on that homemade clear
Shine like a diamond, baby
Maybe crack a couple beers

On a backroad, backroad, yeah
Backroad, backroad, yeah
Backroad, backroad, yeah
Backroad, backroad, yeah
