

# Tan Lines

Tanner Adell

You've been goin' pretty hard all day  
Your shirt is gettin' wet, I see you workin' up a sweat  
The way you're balin' that hay  
In the Tennessee sun, heatin' up your guns  
The way you're sippin' on that sweet tea  
I kinda wish that you were sippin' on me  
Man, can I get a sneak peak of what's underneath?

Let me see them tan lines, boy, don't be shy  
Show me what you got, got, got, got, got  
Strip it down to the Levi's, blue-jean baptized  
Gettin' me, mm, hot, hot, hot, hot (Oh yeah, yeah)  
I know you gotta get home to your mama's cookin'  
But don't worry, boy, she ain't lookin'  
So, baby, take me where the sun don't shine, shine, shine  
Now let me see them tan lines (Oh-oh, yeah, yeah)

What is it about those arms?  
All that definition givin' me that tunnel vision  
The light is hittin' you just right  
A workin' man is a beautiful sight  
Don't even worry about the SPF  
You know I love the red on your neck

Let me see them tan lines, boy, don't be shy  
Show me what you got, got, got, got, got (Oh yeah, yeah)  
Strip it down to the Levi's, blue-jean baptized  
Gettin' me, mm, hot, hot, hot, hot  
I know you gotta get home to your mama's cookin'  
But don't worry, boy, she ain't lookin' (Oh yeah, yeah)  
So, baby, take me where the sun don't shine, shine, shine  
Now let me see them tan lines (Oh-oh, yeah, yeah)  
Let me see them tan lines (Oh-oh, yeah, yeah)

Keep them dirty boots on, we can knock 'em on the tractor  
Your girl needs a fix, can you farm a little faster?  
Can you farm a little faster? I said
