

Do It To Myself

Tanner Usrey

Well, I woke up Thursday morning
With a train running through my head
Ain't no rest here for the wicked
Sleep it all off when I'm dead

Well, well
I do it to myself
Well, well
I do it to myself

Crack the seal off of the bottle
And the snow starts falling down
Gotta get those wheels a-spinning
On the road to the next town
Where I'll do it all again
It ain't killed me yet

I'll take an upper and a downer
Raise a drink to my good health
It ain't no one else to blame, oh, Lord
I do it to myself (Come on now)

Woo

Sunday morning, coming down
Woke up in some stranger's bed
Bloodshot, seeing double
Gotta get back to the van
Said, "I'll see you when I see you
Don't know when I'm coming back"

I'll take an upper and a downer
Raise a drink to my good health
It ain't no one else to blame, oh, Lord
I do it to myself

I do it to myself
Go pray for someone else
'Cause I do it to myself
Someone else
Go pray for someone else
