Hold on to Me

Tanner Usrey

Pick your poison, you get me or the lie
And if you want the truth it's gonna eat you alive
'Cause I've done some things that I regret
And I've said some things that I never should have said

But baby hold on, hold on to me
'Cause I wanna be who you want me to be
And baby stay strong, stay strong for me
'Cause I wanna see what you see in me

And it ain't your fault, so don't blame yourself
'Cause you fell in love with the devil and he's taking you thro
ugh hell
And I know, I'm not who you thought I was
But I promise I can change, oh baby please don't go

And hold on, hold on to me
'Cause I wanna be who you want me to be
And baby stay strong, stay strong for me
'Cause I wanna see what you see in me, in me

And I know I break your heart
And leave the pieces on the ground
Baby loving me is only gonna let you down

So pick your poison, you get me or the lie
And if you want the truth it's gonna eat you alive
