

Take Me Home

Tanner Usrey

We've been fighting this feeling for way too long
Lord, I know it ain't right, but it sure ain't wrong
And baby, you just feel like home
We been fighting this feeling for way too long

And I don't really care about what they say
You know people gonna talk anyway
And some things do but good love don't fade
No, I don't give a damn about what they say

Take me home tonight
Cause I'm way too damn drunk to drive
We can dance in the dark till we're feeling right
Oh darling, take me home tonight

And I know it's hard, I know it ain't fair
But I close my eyes and you're right there
It doesn't matter how far away I am
Babe, I know it's hard and I know it ain't fair

And I don't wanna run no more
Cause I don't know what I'm running for
Baby please, open that door
Cause I don't want to run no more

Take me home tonight
Cause I'm way too damn drunk to drive
We can dance in the dark till we're feeling right
Oh darling, take me home tonight

We got a baby on the way and a dog in the yard
Lord, we started off small but we sure came far
And I just wanna be where you are
We got a baby on the way and a dog in the yard
