Desert Me

Tantric

My patience has run thin No longer tolerant Tired of being used By everyone of you

Tell me another lie So you can feel the pain inside

Well Its time for me to do it to you What you have always done to me Desert me, you all desert me Desert me, you wont desert me anymore

What do you have to say for yourself Now you're alone theres noone else Do you look back onto your life Wishing there was another time

Tell me another lie So you can feel the pain inside

Well Its time for me to do it to you What you have always done to me Desert me, you all desert me Desert me, you wont desert me anymore

Don't move away from me
Im not feeling your tears
And if you should go away
You wont have the strength to stay away

Well Its time for me to do it to you What you have always done to me Desert me, you all desert me Desert me, you wont desert me anymore
