

It's A Cowboy Lovin' Night

Tanya Tucker

They're tuning those twin Texas fiddles,
It will soon be "hold me" time,
I'm in such an easy mood,
It's close to 4/4 time.
All alone at a table for two,
Just me, and the candle light.
Shuffle with me Houston stranger,
It's a cowboy lovin' night.

My last good time was in Dallas,
We danced, every song.
We promised each other forever,
Forever didn't last that long.
"Faded Love" was playing,
It could be the time was right.
Shuffle with me Houston stranger,
It's a cowboy lovin' night.

It's been so long since Dallas,
Many lonely nights, have come and gone.
It may not last but a dance or two,
But it might last all night long.
"Faded Love" was playing,
It could be the time was right.
Shuffle with me Houston stranger,
It's a cowboy lovin' night.

"Faded Love" was playing,
It could be the time was right.
Shuffle with me Houston stranger,
It's a cowboy lovin' night.
