Where ever you go, where ever you may wander in your life Surely you know I always want to be there Holding your hand and standing by to catch you when you fall Seeing you thru in ev'rything you do

Let me be there in your morning
Let me be there in your night
Let me change whatever's wrong and make it right
Let me take you through that wonderland that only two can share
All I ask you is let me be there

Watching you grow and going thru the changes in your life That's how I know I'll always want to be there Whenever you feel you need a friend to lean on, here I am Whenever you call, you know I'll be there

Let me be there in your morning

Let me be there in your night

Let me change whatever's wrong and make it right

Let me take you through that wonderland that only two can share

All I ask you is let me be there

Let me be there in your morning

Let me be there in your night

Let me change whatever's wrong and make it right

Let me take you through that wonderland that only two can share

All I ask you is let me be there

All I ask you is let me be there
