

Beaten again by those around me
No one to blame 'cause I surround myself
Why can't my friends just make me happy
To do it right you've got to do it yourself

I'm on a mission to achieve my goals
Succeed in those things that I care for most
I'm free!

I'm on a mission to achieve my goals
Succeed in those things that I care for most
I'm free!

Can't stand the sight of you without me
The thought alone just makes my stomach turn
How come I can't just make you happy
To do it right you've got to do it alone

I'm on a mission to achieve my goals
Succeed in those things that I care for most
I'm free!

I'm on a mission to achieve my goals
Succeed in those things that I care for most
I'm free!

I'm free!

I'm on a mission to achieve my goals
Succeed in those things that I care for most
I'm free!

I'm on a mission to achieve my goals
Succeed in those things that I care for most
I'm free!
I'm free!
I'm free...
