

## These Walls

Taproot

It's all right to be concerned, you know that  
There is not a second chance  
You don't have to change the world  
Since no one seems to care  
Is anyone aware?

We've build these walls strong and proud  
We'd never thought one day they'd all fall down  
We've come so close, we've gone so far  
Where did we let things fall apart?

It's all right to be unnerved to learn that  
There is not a back-up plan  
We don't have to save the world  
Since no one seems to care  
Is anyone aware?

We've build these walls strong and proud  
We'd never thought one day they'd all fall down  
We've come so close, we've gone so far  
Where did we let things fall apart?
