

# Human Nature

Tarrus Riley

Looking out  
Across the night time  
The city winks a sleepless eye  
Hear her voice  
Shake my window  
Sweet seducing sighs

Get me out  
Into the night time  
Four walls won't hold me tonight  
And if this town  
Is just an apple  
Will you take a bite

And if they say  
Why why  
Tell them that it's human nature  
Why why  
He does it to me that way  
Tell me why why  
Tell them that it's human nature  
Why why  
He does it to me that way

Reaching out  
To a stranger  
Electric eyes are everywhere  
And see that girl  
She knows I'm watching  
She likes the way I stare

And if they say  
Why why  
Just tell them that it's human nature  
Why why  
He does it to me that way  
If they say  
Why why  
Tell them that it's human nature  
Why why  
He does it to me that way  
I love living this way  
I love living this way

Looking out  
Across the morning  
The city heart begins to beat  
Reaching out  
I touch her shoulder  
I'm dreaming of the street

And if they say  
Why why  
tell them that it's human nature  
Why why  
He does it to me that way  
Why why

Tell them that it's human nature  
Why why  
He does it to mea this way  
Why Why  
Tell them that it's human nature  
Why why  
Does he do me that way  
They say why why  
Tell them that it's human nature  
Why why  
Does he do me that way  
Tell them that it's human nature  
Why why  
I love living that way  
I love living this way
