

I Sight

Tarrus Riley

A man without his faith is like a tree without its roots
Got to be true, you got to be true
Strength and protection, given unto I
By Haile, Haile, Haile I
Well, if you don't have no vision
Then you're empty inside, yeah, oh
It's like you gazing in space, wasting time, oh
No come fi fight religion, all it does is divide, oh
And still I and I and I, give Ises, yes

King Rastafari ah mi eyesight
He's the light inna the hour of darkness (darkness)
Cah Rastafari you're mi life-line
Rules inna the heart of all flesh (all flesh)
