

Living The Life Of A Gun

Tarrus Riley

Whoa, yeah
Raggamuffin sinting, whoa yeah
Raggamuffin sinting, whoa yeah
A me name Tarrus a me fi tell you

Living the life as a gun man
Me strike fear inna you heart
All sort a people a walk with me
And nuh fear fi pop me off
When me say blow, see deh, everything dead off
Inna second, look how much trouble I've caused
Me black and me chrome
And you can find me on your block or inside your home
My name is Glock, me parr with a crew weh name Shots
And when we start clap every posse get flat
You hear that

A weh dem mek gun for?
Me nuh see no good weh it a do 'round yah
A me name Tarrus a me fi tell you, sir
Gun wust dan bull buck and duppy conquer
Weh dem mek gun for?

Some pick me up now and then
Some call me them best friend
And walk with me and talk to me
Like dem and dem gun a parr
Like blow, see it deh, somebody lef' a bawl
Inna second look how much sorrow I've caused
Am used and abuse dem never lef' me out
When dem a go 'pon dem move
Tonight dem say dem hungry dem a go eat someone food
A me give them the strength fi dem a gwaan so good

A weh dem mek gun for?
Me nuh see no good weh it a do 'round yah
A me name Tarrus a me fi tell you, sir
Gun wust dan bull buck and duppy conquer
Weh dem mek gun for?

I give you nothing but mischief
Hey check you ballistic and statistics
Murder people and we don't leave no witness
You better make sure you nuh deh 'pon the hitlist, no oh
When me say blow, mama hold her belly and a bawl
Blow, blow, people dress inna black one more funeral
Boom, boom, papa start weep
Tired fi see badness wrap up inna white sheet

Living the life as a gun man
Me strike fear inna you heart
All sort a people a walk with me
And nuh fear fi pop me off
When me say blow, see deh, everything dead off
Inna second, look how much trouble I've caused
Me black and me chrome
And you can find me on your block or inside your home

My name is Glock, me parr with a crew weh name Shots

A weh dem mek gun for?

Me nuh see no good weh it a do 'round yah

A me name Tarrus a me fi tell you, sir

Gun wust dan bull buck and duppy conquer

Weh dem mek gun for?
