Your words have no meaning  
Cause you continue to do the same thing  
Now sorry is a Sorry word  
Look at all I've done for you

Come with your sweet talk..la la la  
Call me a sweetheart  
And everyday you break another piece of my heart

Am sorry that, you sorry but sorry is not good enough for me baby  
Am sorry that, you sorry but sorry can't dry my tears lady  
Each time we fight, you came with your same story
