

Blind

Tash

Out of my bed
Not much emotion nowadays

Only some negative perspectives
Really, it ain't that bad
It ain't that bad
It ain't that bad

How could I be so blind?
I don't know why
I don't know why (I don't know)
How could I be so blind?
How could I be so blind?
I don't know why
I don't know why
How could I be so blind? (Mmm)

Glass half empty
Can't seem to put it simply

Only some negative perspectives
Really, it won't mend me (Oh, mend me)
Me, it won't mend me (Me, me)

How could I be so blind?
I don't know why
I don't know why (I don't know)
How could I be so blind? (So blind)
How could I be so blind?
I don't know why
I don't know why (I don't know)
How could I be so blind?

I don't know why, know why
So blind, know why
I don't, mmm, so blind
How could I be so blind?
