

Complacent

Tash

Imma take that shit right back
How did I get to thinking I could rush
How did I get to thinking this is all I have
How did I get to thinking there's I was lost
I was lost

I fight the feeling cause I know
I'm sorry, I'm cautious, can't help that I'm guarded
This baggage is something, but if he wants it
I'm still on it, think twice when it's him I'm calling

Mhm I'll save it, I'll save it, if he breaks it, I'll save it m
hm
Mhm I'll save it, I'll save it, if he breaks it, I'll save it m
hm

Imma keep you unattached
Cause I'll just overthink it, should I trust?
If I'm hook line and sinker, I ain't coming back
Compromise intuition for my heart

I fight the feeling cause I know
I'm sorry, I'm cautious, can't help that I'm guarded
This baggage is something, but if he wants it
I'm still on it, think twice when it's him I'm calling

Mhm I'll save it, I'll save it, if he breaks it, I'll save it m
hm
Mhm I'll save it, I'll save it, if he breaks it, I'll save it m
hm
If he breaks it
I'm complacent
If he breaks it
