

# For The First Time

Tash

I used to sleep on my potential to be  
Fufill and in love  
I used to be insecure but now it's nothing

It's nothing, it's nothing  
It's nothing, It's nothing

For the first time, I have all I wanted  
For the first time, I have overcome it  
For the first time, I have learnt to love it  
For the first time, I

I used to doubt, what I'm becoming til now, trial tribulation  
Stunned me but now, I recall it like it's nothing

For the first time, I have all I wanted  
For the first time, I have overcome it  
For the first time, I have learnt to love it  
For the first time, I  
For the first time  
For the first time, I  
For the first time, I
