

Grown Up

Tash

Hmm-mm

Mmm

I'm not a grownup, but I act like one
When I don't partake in your drinkin' and your carryin' on
I wonder if I'm missin' out on the fun
Then I remember how you throw yourself on everyone
But they don't want none when you're not drunk
But why would they want you if you're conscious enough
To waste yourself on someone underservin' of you
Someone who is only good at hurtin' you
You (You), yeah
You (You, oh)

Don't hate me
I'm sorry, I'm sorry
You're fallin' and breakin'
I'm sorry, I'm sorry
Won't watch it, can't take it
I'm sorry, I'm sorry
You're actin' your age and
I'm sorry, I'm sorry
You're too young to face it
Yeah, yeah, yeah

I'm not a grownup, but I'll never be
I'll just outgrow my T-shirts and my baggy jeans
I won't doubt that I will always be naive
But I doubt that I'll be chasin' what is bad for me
Bad for me (Me)
Bad for me (Me, yeah)

Don't hate me
I'm sorry, I'm sorry
You're fallin' and breakin'
I'm sorry, I'm sorry
Won't watch it, can't take it
I'm sorry, I'm sorry
You're actin' your age and
I'm sorry, I'm sorry
You're too young to face it
Yeah, yeah, yeah

Mmm

You know I'll never be
You know I'll never be
You know I'll never be
You know I'll never be
Know I'll never be
You know I'll never be
You know I'll never be
You know I'll never be

Don't hate me
I'm sorry, I'm sorry (I'm sorry, babe)
You're fallin' and breakin' (See you're fallin' and I)
I'm sorry, I'm sorry

Won't watch it, can't take it (I can't take it no more)
I'm sorry, I'm sorry (I'm sorry)
You're actin' your age and (Your age)
I'm sorry, I'm sorry
You're too young to face it
Hey, do-do, hey, hey

To face it
You know I'll never be
You know I'll never be
To face it
