Tash

Mm-mm

I'm dreamin' of you 'cause it don't exist  
The right thing to do would be to try and resist

Maybe I shouldn't have promised myself to somebody else  
Maybe it's too late to question myself, I'm already ahead of my  
self  
Sayin', "What if it don't last? What if it's too fast? What if  
I'm here askin'  
Things I shouldn't have?" Wish I never had the gut to be askin'

Am I heartless to be like this?  
Am I selfish to be like this?  
Am I heartless to be like this?  
To be like this? (Be like this), be like this?

I'm dreamin' of you in such unrealistic ways (Unrealistic ways)  
And it all falls to pieces as soon as I'm awake (I'm awake)

Maybe I shouldn't have promised myself to somebody else  
Maybe it's too late to question myself, I'm already ahead of my  
self  
Sayin', "What if it don't last? What if it's too fast? What if  
I'm here askin'  
Things I shouldn't have?" Wish I never had the gut to be askin'  
, hey

Am I heartless to be like this? (Oh)  
Am I selfish to be like this? (Selfish)  
Am I heartless to be like this?  
To be like this? (Be like this), be like this?

You were never good for me  
You were never good for me  
You were never good for me  
You were never good for me

Am I heartless to be like this? (Am I heartless to be like this  
?)  
Am I selfish to be like this? (Am I selfish?)  
Am I heartless to be like this?  
To be like this? (Be like this), to be like this?

Be like this, to be like this? Uh-uh  
Be like this? Uh-uh (Am I heartless?)  
Be like this? (Be like this?)  
Am I heartless? (Am I selfish?)

Oh-oh-oh, hey  
Oh-oh-oh
