

Torn

Tash

Call me half the time
Waiting up all night for you
Then up half 9
Under eyes like crescent moons

We've been here before, and I know that I have
Been shaken up at the thought of having to pause
It's nothing that I'm too afraid to go through I'm
Just torn

I know, I've found, my own, my own
I know, I know how, to love both

Saw you one last time
A face I just cannot bare to
Leave behind
But what else am I supposed to do

We've been shaken here before, and I know that I have
Been shaken up at the thought of having to pause
It's nothing that I'm too afraid to go through I'm
Just torn

I know, I've found, my own, my own
I know, I know how to love both
