I'm not afraid to shine  
[?] You're the one who died  
And when He thought of me  
He got up with victory  
He is the Chosen One  
The righteous Son of God  
So death where is your sting?  
We got the victory

Jesus is  
Alive, alive  
And He lives in me  
Alive, alive  
And He lives in me  
Alive, alive  
And He lives in me  
Alive, alive  
And He lives in me

I'm not afraid to shine  
[?] You're the one who died  
And when He thought of me

He is the Chosen One

Jesus is  
Alive, alive  
And He lives in me  
Alive, alive  
And He lives in me  
Alive, alive  
And He lives in me  
Alive, alive  
And He lives in me
