

Burdens Down

Tasha Cobbs

Tried to do it on my own
But every time I tried I fell down
Got sick-and-tired of all the pain
I knew I had to turn my life around
Mama said you'd never leave
She said you'd always be right there for me

That's when I laid my burdens down
I traded shame in for my crown
My soul was in the lost-and-found
Until I laid my burdens down

Now I live to testify
That Jesus' blood was my lifeline
Just surrender to His plan
And He will make your life worth it
When you're weak is when He's strong
I'll tell the world wherever I go

That when I laid my burdens down
I traded shame in for my crown
My soul was in the lost-and-found
Until I laid my burdens down

That's when I laid my burdens down
I traded shame in for my crown
My soul was in the lost-and-found
Until I laid my burdens down

Until I laid my burdens
That's when I laid my burdens down
Until I laid my
Until I laid my burdens down

Friends don't treat me like they used to
Used to
Since I laid my burdens down
Since I laid my burdens down
I feel better so much better
I feel better so much better
Since I laid my burdens down
Since I laid my burdens down

Burdens down, burdens down
Burdens down, burdens down
Since I laid my burdens down
Since I laid my burdens down
Burdens down, burdens down
Oh burdens down, oh burdens down

I'm going home to live with Jesus
Since I laid my burdens down
Since I laid my burdens down
I'm going home to live with Jesus
Since I laid my burdens down
Since I laid my burdens down

Glory, glory
Hallelujah
Since I laid my burdens down
Since I laid my burdens down
Glory, glory
Hallelujah
Since I laid my burdens down
Since I laid my burdens down

Since I laid my burdens down
Down
Since I laid my burdens down
Down
Since I laid my burdens down
