

# Do It Anyway

Tasha Cobbs

Daddy always said  
If I show up, work hard, pray strong  
I can do anything  
You'll be defined by the thoughts in your mind  
Don't you ever let go of the simple things

Momma used to say  
Take your time, be kind  
Do your best, let God do the rest  
And after all these years, my life is the proof  
Every word they told me was the truth

Don't tell me I can't  
When I know I can  
Don't tell me I'm not  
When I know I am  
Don't tell me I won't  
Cause I'm gonna do it anyway  
Do it anyway  
Don't say it won't work  
You don't know the plan  
I know my life's in the palm of His hands  
You can tell me I won't  
But I'm gonna do it anyway  
Do it anyway  
Do it anyway

People always wait for the right place, right time  
When all we really have is the right now  
So why would I wait till it all falls in place?  
Cause I know it's gonna work out somehow  
I know it won't be easy but I'm willing to go

Don't tell me I can't  
When I know I can  
Don't tell me I'm not  
When I know I am  
Don't tell me I won't  
Cause I'm gonna do it anyway  
Do it anyway  
Don't say it won't work  
You don't know the plan  
I know my life's in the palm of His hands  
You can tell me I won't  
But I'm gonna do it anyway  
Do it anyway  
Do it anyway

The beauty of the journey is you just never know  
How you're gonna get there, but you'll get there for sure  
No it won't be easy but I'm willing to go

Don't tell me I can't  
When I know I can  
Don't tell me I'm not  
When I know I am  
Don't tell me I won't

Cause I'm gonna do it anyway  
Do it anyway  
Don't say it won't work  
You don't know the plan  
I know my life's in the palm of His hands  
You can tell me I won't  
But I'm gonna do it anyway  
Do it anyway  
Do it anyway  
  
Do it anyway  
Do it anyway
