

Get Up

Tasha Cobbs

Oh oh oh oooh wo oh [x6]

Let the Kingdom of God rise
Oh oh oh oooh wo oh [x8]

It's the place of Authority,
It's the place of Dominion

(Get up, Get up, Get up) [x4]

Let the Kingdom of God rise
Oh oh oh oooh wo oh [x4]

It's the place of Authority,
It's the place of Dominion

(Get up, Get up, Get up) [x4]

Let the Kingdom of God rise
Oh oh oh oooh wo oh [x4]

Born to be mine, got to be strong
be who He called you to be
Born to be mine, got to be strong
be who He called you to be, walk in your liberty

Born to be mine, got to be strong
be who He called you to be
Born to be mine, got to be strong
be who He called you to be, walk in your liberty

Arise take your authority... Get up

Be who He called you to be... Arise
Claim your authority... Get up [x3]

Be who He called you to be

Claim your authority... Get up [x3]

Oh oh oh oooh wo oh [repeat]
