

Grace

Tasha Cobbs

God loves me, adores me
Watches over me, you are for me
Grace loved me, and it's not what I deserved
And nothing that I've earned
But daily
Grace saves me.

Oh but for your grace
Oh but for your grace
Oh but for your grace
I'd be lost but for your grace

God loves me, adores me
Watches over me, you are for me
And grace love me but it's not what I deserve
And nothing that I've earned
But daily
Grace saves me.

Oh but for your grace
Oh but for your grace
Oh but for your grace
I'd be lost but for your love
I'd be lost but for your love

Oh but for your love
Oh but for your love
Oh but for your love
I'd be lost but for your love
I'd be lost but for your grace
I'd be lost but for your grace

Grace-it save me
Grace-it raise me
Grace-it keeps me
Grace-I'm clothed in it
Grace-I'm mighty grateful [2x]
Grace-I did deserve it but it's my, all my
Grace-I'm mighty grateful
Grace-yes, I'm mighty grateful
Grace-it belongs to me [2x]
Grace-oh, your grace is saving
Grace-and it keeps going every day, every day
Grace-the grace of the Lord
Grace-the unmerited favor
Grace-unmerited favor
Grace-it's my, all my
Grace-somebody praise Him for grace
Grace-we give you glory for grace
Grace-it's been faithful every day
Grace-it's been faithful every day
Grace-it's been faithful every single day
Grace-it's been keeping me every day

Yeah, yeah
I'd be lost but for your grace [3x]
