

Greater

Tasha Cobbs

Better days ahead
I'm living in the promise of God
A new day is here
And I have a fresh expectation [repeat 2x]

Got a new perspective
Loud and clear
I'm not moved by what I see
Only what I hear

(I hear greater)
Greater
Greater
Greater
Greater
Greater for my life [2x]

God's word is true
And it will last
If he said it
It's coming to pass
