

Hallelujah (You Get The Glory)

Tasha Cobbs

Hallelujah, hallelujah
Hallelujah, hallelujah

You get the glory, hallelujah (Yes, Lord)
You get the praise (Yes, Lord) Hallelujah
You get the glory, hallelujah
You get the praise, hallelujah
Forever
You get the glory (You get the glory)
Hallelujah (Hallelujah)
God, You get it (You get the praise)
Hallelujah (Hallelujah)
You get the glory (You get the glory)
Hallelujah (Hallelujah)
You get the praise (You get the praise)
When the healing comes (Hallelujah)
You get the glory (You get the glory)
When the freedom comes (Hallelujah)
You get the praise, hey (You get the praise)
When the justice comes (Hallelujah)
You get the glory (You get the glory)
Hallelujah (Hallelujah)
You get the praise (You get the praise)
Nobody else but You (Hallelujah)
Nobody else but You (You get the glory)
Nobody else but You (Hallelujah)
Nobody else but You (You get the praise)
'Cause when the peace comes (Hallelujah)
You get the glory (You get the glory)
When the love comes (Hallelujah)
You get the praise (You get the praise)
Sing hallelujah (Hallelujah)
You get the glory (You get the glory)
You get the glory (You get the glory)
You get the glory (You get the glory)
You get the glory (You get the glory)
Out of my life (You get the glory)
Out of my life (You get the glory)
Out of my life (You get the glory)
In every situation (You get the glory)
In every miracle (You get the glory)
Every sign (You get the glory)
And every wonder (You get the glory)
You get the glory (You get the glory)
Nobody else but You (You get the glory)
You get the glory (You get the glory)

Say hallelujah (Hallelujah)
You get the praise (You get the praise)
