

Happy

Tasha Cobbs

You make me happy
You make me whole
You take the pain away
I'm so in love with you [x4]
Everything about you is right
It covers all my wrong
Your life saved my life [x2]
With you is where I belong
I belong to you Lord [x3]
You make me happy
You make me whole
You take the pain away
I'm so in love with you [x3]
Everything about you is right
It covers all my wrong
Your life saved my life [x3]
With you is where I belong
I belong to you Lord [LEAD x3]
So in love with you
Can't make it without you
I live to worship you
Forever me and you [x4]
Forever me and you [x6]
Forever me and you
Forever me and you
Forever me and you
Everything about you is right [LEAD]
Everything about you is right
Everything about you it is right
Everything about you it's so right
And it covers my wrong
