Oh I wanna see You

I, I wanna see You
No distractions
I wanna know You're here
Right here, right now
I wanna see You
No distractions
I wanna know You're here
Somebody ask Him, say
I wanna see You
No distractions (no distractions)
I wanna know You're here
I wanna see You (I wanna see You)
No distractions (no distractions)
I wanna know You're here

This is our prayer
Let us see You (let us see You)
No distractions (no distractions)
(We need to know You're here)
We just wanna see You
Let us see You (let us see You)
No distractions (no distractions)
(We need to know You're here)

You are here, You are here
You are here, You are here
Declare it
You are here, here (You are here)
You are (You are here)
You are (You are here)
In all of Your glory (You are here)
And we adore You (You are here)
Lord, we love You (You are here)
So amazing (You are here)
Wonderful God (You are here)
Oh we since You (You are here)
God, we feel You (You are here)
We love You (You are here)
You surround us (You are here)
And we focus on You (You are here)
We guide our eyes on You (You are here)
You are here (You are here)

I don't wanna talk about You
Like You're not in this room
I wanna look right at You
I wanna sing right to You
