

## I Did It Again

Tasha Cobbs

Oh, no! I know I did it again  
Tried to walk away, but my hands were tied  
Another bad decision  
But if I'm honest, it was all a lie

Like I been fighting this for all my life  
How could this be wrong, when it feels so right?  
Right thing, wrong time  
Your will or mine  
My flesh won this time

And the whole time  
I shoulda walked away  
But no. I chose to stay  
And the whole time  
You tried to carry me out  
I shoulda walked away

I'm at the altar again  
Same tears, same fear, same shame and sin  
I shoulda been stronger than this  
If only I had trusted You to be my strength

Like I been fighting this all my life  
How could this be wrong, when it feels so right?  
Right thing, wrong time  
Your will or mine  
Guess I was outta line

And the whole time  
I shoulda walked away  
But no. I chose to stay  
And the whole time  
You tried to carry me out  
I shoulda walked away

You're the god of another chance

So, the next time, I'm gonna turn away  
I won't choose to stay  
The next time, no need to carry me out  
We'll just walk away
