

I'm Getting Ready

Tasha Cobbs

Eyes haven't seen
And ears haven't heard
The kind of blessings
The kind of blessings
That's about to fall on me, whoa
'Cause victory is here
Kick defeat out the door
God's doing a new thing, yeah
Get ready for overflow

'Cause I'm getting ready
(I'm getting ready to see)
Something I've never seen
(Something I've never seen)
Prophecy over your life say
(I'm getting ready to see)
Something I've never seen

Saying I'm getting ready
(I'm getting ready to see)
Something I've never seen
(Something I've never seen)
Say it again
I'm getting ready
(I'm getting ready to see)
Something I've never seen
(Something I've never seen)

Let's say it together
Eyes haven't seen, no
(Eyes haven't seen)
Come on say it,
And ears haven't heard
(Ears haven't heard)
What?
The kind of blessing
The kind of blessing
That's about to fall on me

Sing victory is here
(Victory is here)
It kick defeat out the door
(Defeat out the door)
God's doing a new thing
Get ready
(Get ready for overflow)

Now throw your hands up y'all
Saying I'm getting ready
(I'm getting ready to see)
Something I've never seen

I'm getting ready
(I'm getting ready to see)
God's about to blow my mind
Something I've never seen
(Something I've never seen)

Say, I'm getting ready
(I'm getting ready to see)
Oh yes I am
Something I've never seen
(Something I've never seen)
It's bigger than I can imagine
(I'm getting ready to see)
Something I've never seen
(Something I've never seen)

Yo, aye yo, beach house vibes maneuver the jet ski
'Cause-'cause I serve the God that parted the red sea
Multi-million dollars commercials for Pepsi
From food-stamps to more ice than Gretzky
I don't gotta talk the Lord defends me
I watch them all fall for going against me
'Cause me and all my angels shot the devil up
While you was trying to pull me down I leveled up
I leveled up twice, I leveled up three times
He tapped 'em and told 'em "she's mine"
So even when I cried I knew I'd be fine
Prepare for a miracle blessing in these times
Now praise Him, raise Him, name it, claim it
Every tongue that rises up against me, shame it
I breathe success in and out my lungs
I got the power of life and death coming out of my tongue

You gotta move a little bit with that
Say it again saying
It's about ...
Now somebody raise it

Say I'm getting ready (I'm getting ready)
Ready for overflow (ready for overflow)
It's real easy, somebody declare it
Say I'm getting ready (I'm getting ready)
What are you ready for? (ready for overflow)

Say it again,
Say I'm getting ready (I'm getting ready)
Ready for overflow (ready for overflow)
It's about to be running over in my life, yeah (I'm getting ready)
Ready for overflow (ready for overflow)

Say oh I'm ready (oh I'm ready)
Are you ready for overflow? (ready for overflow)
Say yes I'm ready (yes I'm ready)
Ready for overflow (ready for overflow)

Say ready for overflow (ready for overflow)
You are to declare it over yourself
Say ready for overflow (ready for overflow)
Declare it over your finances
Say ready for overflow (ready for overflow)
Healing in my body, I'm ready (ready for overflow)
I'm in the right position, I'm ready (ready for overflow)
I'm gonna stay here at Your feet 'cause I'm ready (ready for overflow)
I'm ready (ready for overflow)
Oh-oh, yes I'm ready (ready for overflow)

I'll say it again, I'm still ready (ready for overflow)
Oh yes I'm ready (ready for overflow)

God, you can blow my mind, I'm ready (ready for overflow)
Lord, you can blow my mind, I'm ready (ready for overflow)

Sing I'm getting ready (I'm getting ready)
Ready for overflow (ready for overflow)
Say I'm getting ready (I'm getting ready)
Ready for overflow (ready for overflow)
Say yes I'm ready (yes I'm ready)
God, you can blow my mind

'Cause eyes haven't seen
Ears haven't heard
The kind of blessings
The kind of blessings
That's about to fall on me

'Cause victory is here
It put defeat out the door
God's doing a new thing
A brand-new thing
I'm ready for overflow

God's doing a new thing
Get ready for overflow
Yea I'm talking to you,
I'm talking to you

God's doing a new thing
Get ready for overflow
You've been waiting
You've been praying
You've been pressing
You've been fasting

God's doing a new thing
Get ready for overflow
I'm getting ready to see
Something I've never seen
I'm getting ready to see
Something I've never seen
