

I Surrender

Tasha Cobbs

If I'm really honest
Let me tell it like it is
I've been holding on to things
I never should

I forgot the promise
That if I trust in Him
It will work out
For my good

I surrender
I surrender
I surrender
All to You

I surrender
I surrender
I surrender
All to You

Right here in this moment
I'm giving You control
'Cause I find freedom
In letting go

I surrender
I surrender
I surrender
All to You

I surrender
I'm letting you go!
I surrender
I'm letting you go!
I surrender
All to You

I surrender
I'm letting you go!
I surrender
You got it
I'm letting you go!
I surrender
All to You

I surrender
I surrender
I surrender
All to You

I'm letting go!
You got it
I'm letting go!
You got it
Said I'm letting go!
I'm letting go!
I'm letting go!

I'm letting go!

'Cause You are more than able
Fully faithful
You are big enough
You are strong enough

You are more than able
Fully faithful
You are big enough
You are strong enough

You are more than able
He's fully faithful
You are big enough
You are strong enough

See, you are more than able
Fully faithful
You are big enough
You are strong enough

You are big enough
You are strong enough
You are big enough
You are strong enough

You can handle it
You can handle it
I'm letting go!
You are big enough
I'm letting go!
You are strong enough

I surrender
I surrender
I surrender
All to You

I surrender
I'm letting go!
I surrender
I surrender
All to You

You are big enough
You are strong enough
You are big enough
You are strong enough

You are big enough
You are strong enough
You are big enough
You are strong enough

You are big enough
You are strong enough
You are big enough
You are strong enough

Oh, yes, You are
