

I Will Follow

Tasha Cobbs

I'll go, I'll follow where You lead
Your hand I trust completely
You can lead me
Where You lead I'll go
I'll go, I'll follow where You lead
Your hand I trust completely
You can lead me
Where You lead I'll go
Somebody make this vow, say I'll go
(I'll go, I'll follow where You lead)
(Your hand I trust completely)
You can lead me (You can lead me)
Where You lead (Where You lead I'll go)
This is my [?] sing I'll go
(I'll go, I'll follow where You lead)
(Your hand I trust completely)
You can lead me (You can lead me)
Where You lead I'll go (Where You lead I'll go)
I'll go (I'll go, I'll follow where You lead)
(Your hand I trust completely)
You can lead me (You can lead me)
Where You lead (Where You lead I'll go)
[?] sing I'll go
(I'll go, I'll follow where You lead)
(Your hand I trust completely)
God, You can lead me (You can lead me)
Where You lead (Where You lead I'll go)
Let's say it again, tell Him I'll go
(I'll go, I'll follow where You lead)
Your hand (Your hand I trust completely)
It never failed me yet
(You can lead me) You can lead me
(You can lead me)
(Where You lead I'll go) Where You lead I'll go
Say it again, say I'll go
(I'll go, I'll follow where You lead)
(Your hand I trust completely)
Say it again, You can lead me (You can lead me)
Where You lead (Where You lead I'll go)
Somebody make this vow, say
You can lead me (You can lead me)
Where You lead (Where You lead I'll go)
I'm willing to follow You
You can lead me (You can lead me)
Where You lead (Where You lead I'll go)
You've never failed me [?]
And You won't stop now (You can lead me)
Where You lead (Where You lead I'll go)
Last time, say it
Say You can lead me (You can lead me)
(Where You lead I'll go)
Say it again, say
You can lead me (You can lead me)
(Where You lead I'll go)

I have decided to follow Jesus
Somebody tell Him

I have decided to follow Jesus
God, we trust You
I have decided to follow Jesus
'Cause Your love won't lead me astray, no
I have decided to follow Jesus
'Cause the cross won't lead me astray
Oh God, oh God!
(I have decided to follow Jesus)
'Cause Your love won't lead me astray
(Your love won't lead me astray)
Oh no, oh no!
I have decided (I have decided to follow Jesus)
'Cause Your hand won't lead me astray
(Your hand won't lead me astray)
God I'll trust You, I'll trust You with my life
I (I have decided to follow Jesus)
'Cause the blood won't lead me astray
(The blood won't lead me astray)
No, oh no!
I have decided (I have decided...)
Oh! I'm gonna follow You (...to follow Jesus)

'Cause the blood won't lead me astray
(The blood won't lead me astray)
...
The cross won't lead me astray
(The cross won't lead me astray)
...
Your blood won't lead me astray
(Your blood won't lead me astray)
...
Your blood it never fails
Your blood won't lead me astray
(Your blood won't lead me astray)
...
