

# In Spite Of Me

Tasha Cobbs

You still love me in spite of me?  
You still chose me, how can it be?  
Every scar, every flaw  
You see it all, you see it all  
You still love me, love me  
Yeah, in spite of me  
In spite of me

I don't cross every T  
I don't dot every I  
I've got more flaws than a little  
And I messed up a thousand times  
I don't always commit  
Sometimes I give up way too quick  
And then I get tired of trying  
To run away from who I am to who I want to be

Somedays are better than others  
I can be up then I'm down  
But beyond my mistakes  
I'm found in your grace  
And this one thing will never change

You still love me in spite of me?  
You still chose me, how can it be?  
Every scar, every flaw  
You see it all, you see it all  
You still love me, love me  
Oh, in spite of me  
In spite of me

I'm stubborn at heart  
Quick to put up a guard  
Do it all by myself  
I won't ask for help  
But sometimes my mouth is smart  
I can be insecure  
Counting other people's blessings  
I never stop to notice what I got

Some days are better than others  
I can be up then I'm down  
But beyond my mistakes  
I'm found in your grace  
And this one thing will never change

You still love me in spite of me?  
You still chose me, how can it be?  
Every scar, every flaw  
You see it all, you see it all  
You still love me, love me  
You still love me in spite of me?  
You still chose me, how can it be?  
Every scar, every flaw  
You see it all, you see it all  
You still love me, love me

Let me hear you say yeah (yeah)  
Can I get a witness? (yeah)  
You didn't give me what I deserve (yeah)  
Love so relentless (yeah)  
Got me singing Hallelujah (yeah)  
Can I get a witness? (yeah)  
You didn't give what I deserve (yeah)  
Love so relentless (yeah)  
Got me singing

You still love me in spite of me?  
You still chose me, how can it be?  
Every scar, every flaw  
You see it all, you see it all  
You still love me, love me  
Oh, in spite of me

It's hard to believe  
You have a choice  
And daily you choose me  
It's hard to believe  
You have a choice  
And daily you choose me  
It's hard to believe  
You have a choice  
And daily you still choose me  
It's hard to believe  
Oh, you have a choice  
Oh, and daily You still choose me  
(Never give up on you)  
It's hard to believe (never give up on you)  
You have a choice (never give up on you)  
And daily you choose me (never give up on you)  
(Never give up on you)  
It's hard to believe (never give up on me)  
You have a choice (never give up on me)  
And daily you choose me (never give up on me)

You still love me in spite of me?  
You still chose me, how can it be?  
Every scar, every flaw  
You see it all, you see it all  
You still love me, love me  
Yeah, in spite of me  
In spite of me

In spite of me  
In spite of me

It's so hard to believe  
You have a choice  
And daily you choose me  
It's hard to believe  
You have a choice  
And daily you choose me  
It's hard to believe  
You have a choice  
And daily you choose me  
It's hard to believe  
You have a choice  
And daily you choose me  
It's hard to believe  
You have a choice

And daily you choose me

Never gave up on me  
Never gave up on me  
Never gave up on me

Never gave up on  
Never gave up on  
Never gave up on me

Never gave up on  
Never gave up on  
Never gave up on me

Never gave up on  
Never gave up on  
Never gave up on me
