

Jesus What A Friend

Tasha Cobbs

What a friend we have in Jesus
What a friend we have in Him
Ever faithful to the end
Jesus, what a friend

What a friend we have in Jesus
What a friend we have in Him
Ever faithful to the end
Jesus, what a friend

Never failing
Never fading
Oh, Your love remains
Forever loyal
My savior
Jesus, what a friend

What a friend we have in Jesus
What a friend we have in Him
Ever faithful to the end
Jesus, what a friend

What a friend we have in Jesus
What a friend we have in Him
Ever faithful to the end
Jesus, what a friend

You are never failing
Never fading
Oh, Your love remains
Forever loyal
My savior
Jesus, what a friend

Never failing
Never fading
Oh, Your love remains
Forever loyal
My savior
Jesus, what a friend

Nobody like my Jesus
Jesus, what a friend

You are my friend
Oh, yes, you are

Who am I that You would call me "friend"?
Who am I that You would call me "friend"?
Who am I that You would call me "friend"?
Who am I that You would call me "friend"?

Who am I that You would call me "friend"?
Who am I that You would call me "friend"?
Who am I that You would call me "friend"?
Who am I that You would call me "friend"?

You are closer than the air that I breathe
You are stronger than the grip of my sin
Oh, what a friend
Oh, what a friend

You are closer than the air that I breathe
You are stronger than the grip of my sin
Oh, what a friend
Oh, what a friend

You are closer than the air that I breathe
You are stronger than the grip of my sin
Oh, what a friend
Oh, what a friend

You are closer than the air that I breathe
You are stronger than the grip of my sin
Oh, what a friend
Oh, what a friend

Oh, what a friend
Oh, what a friend

Oh, what a friend
Oh, what a friend

Jesus, what a friend
Jesus, what a friend
Jesus, what a friend
