

Let It Fall

Tasha Cobbs

Woo

Come on, it's a song of intercession

All of these songs we keep singing
All of this praise we keep bringing, yeah
When it's all said and done, yeah
We just want You to come, hey!

These hands we keep raising
These prayers we keep praying, oh
When it's all said and done, yeah
We just want You to come

So here's our prayer, Lord

Let it fall, let it fall, let it fall
Let Your glory fall
Let it fall, let it fall, let it fall
Let Your glory fall, hey!

We don't need lights, camera, action, woo
We are just longing for Your presence, yeah
'Cause when it's all said and done
We just want You to come, ah

We won't move
Lord, will You show Your glory (Show us Your glory)
We're waiting here for You (Waiting here for You)

To let it fall, let it fall (You got it), let it fall
(Choir) Let Your glory fall
Let it fall, let it fall, let it fall
Let Your glory fall

I need You to move right here
Father, this is what we want, ah

Move how You wanna move
Do what You wanna do
We are moving out the way
All we want is You, say
Move how You wanna move (Move how You wanna move)
Do what You wanna do (Do what You wanna do)
We are moving out the way (We are moving out the way)
All we want is You (All we want is You)
Move how You wanna move (Move how You wanna move)
Do what You wanna do (Do what You wanna do)
We are moving out the way (We are moving out the way)
All we want is You (All we want is You)
Move how You wanna move (Move how You wanna move)
Do what You wanna do (Do what You wanna do)
We are moving out the way (We are moving out the way)
All we want is You (All we want is You)
All we want is You (All we want is You, all we want is You)
We are moving out the way (We are moving out the way)
All we want (All we want is You)
All we want is You (All we want is You)

All we want is You (All we want is You)
We are moving out the way (We are moving out the way)
(All we want is You)
Yeah, yeah

Oh, somebody cry out for more of Him
God, we want more of You, oh, hey, yeah

(We're moving out the way)
Let's do it again
Sing all we want (All we want is You)
All we want is You (All we want is You)
All we want is You (All we want is You)
All we want is You (We are moving out the way)
We are moving out the way (All we want is You)
All we want is You (All we want is You)
All we want is You (All we want is You)
We are moving out the way (We are moving out the way)
Oh (All we want is You)
Yeah, yeah

We cry out for more of You
We cry out for more of You
More of You, that's what we want, yeah

So let it fall, let it fall, let it fall
Let Your glory fall
Let it fall, (Yeah), let it fall, (Woo), let it fall
Let Your glory fall
Oh God, let Your glory fall

Oh, somebody make that your prayer
Wherever you are right now, just ask Him, say
Let Your glory fall
Ha-ha-ha, that's what we really want
God, that's what we really need
We want more of Your glory
Less of me and more of You
Less of us and more of You, uh
God, we don't want them to see us
We want them to see You
So we get out the way today
We move ourselves out of the way
Oh, somebody make that your prayer
I'm getting out of the way
I'm moving out of the way
To let Your glory fall
We don't wanna drive Your glory
We don't want to control the glory
We are carriers of glory, ha-ha-ha
So You do what You want to do
And when You move that's when we'll move, woo
When You move that's when we'll move
So let Your glory fall
