

# Release The Sound

Tasha Cobbs

David faced a giant that mocked the living God  
By faith he stood in power and that giant had to fall  
The Israelite people rivaled by a wall  
But when the people shouted that wall it had to fall

'Cause there is a sound that makes walls fall down  
There is a sound that makes walls fall down  
There is a sound that makes walls fall down  
I command you  
Release the sound  
Release the sound  
Hey, you got it  
Release the sound  
I got another one

What about Paul and Silas behind the prison walls  
But when they started singing those walls they had to fall

'Cause there is a sound that makes walls fall down  
There is a sound that makes walls fall down  
There is a sound that makes walls fall down  
(Release the sound)  
Release the sound (Release the sound)  
Release the sound (Release the sound)  
I got one more, y'all

The crucified Jesus was buried in a tomb  
They thought His life was over, but three days revealed the truth  
The resurrected Jesus He's coming with the clouds  
Every eye will see Him and every knee will bow

'Cause there is a name that makes demons flee (That makes demons flee)  
There is a name (There is a name)  
That makes demons flee (That makes demons flee)  
There is a name (There is a name)  
That makes demons flee (That makes demons flee)

Somebody, release the name (Release the name)  
I command you, release the name (Release the name)  
Command you, release the name (Release the name)  
Release it in your home  
Jesus (Release the name)  
Command you, in your home  
Release the name (Release the name)  
Over your body, I command you  
Release the name (Release the name)  
Oh command you  
Release the name (Release the name)  
Release the name (Release the name)  
Release the name

His name is Jesus  
His name is Jesus  
His name is Jesus  
Somebody, release the name
