Tasha Cobbs

Fearfully, wonderfully  
Made in the image of Abba  
I am free completely  
Safe in the arms of my Father  
I am royalty  
I am who You called me  
I believe I am Yours  
Oh, yes, I am  
Fearfully, wonderfully  
Made in the image of Abba  
I am free completely  
Safe in the arms of my Father  
I am royalty  
I am who You called me  
I believe (I believe)  
I am Yours  
Like a brush in the hands of an artist  
I am Your masterpiece  
A thought before life ever started  
You took Your time on me  
I'm royalty (Oh yeah)  
My Father is King  
I believe (I believe)  
I am Yours  
Woah  
Hey! Yeah, yeah, yeah, yeah  
I know who I am  
Ah, yeah  
You made me on purpose  
And I am Your favorite
