

The Name Of Our God

Tasha Cobbs

Oh oh oh, no other name
Oh, the name of Jesus
Oh oh oh, no other name
Oh, the name of Jesus

On Christ the solid rock I stand
No other help I know
All other ground is sinking sand
I trust in you alone

Where fear is great
Our God is greater
We stand unshakable

In the name, in the name of our God
In the name, in the name of our God
All mountains be moved
Chains now be loosed
In the name, in the name of our God

On Christ the solid rock I stand
No other help I know
All other ground is sinking sand
I trust in you alone

Where fear is great
Our God is greater
We stand unshakable

In the name, in the name of our God
In the name, in the name of our God
All mountains be moved
Chains now be loosed
In the name, in the name of our God

Oh oh oh, no other name
Oh, the name of Jesus

In the name, in the name of our God
In the name, in the name of our God
All mountains be moved
Chains now be loosed
In the name, in the name of our God
