

This Is A Move

Tasha Cobbs

So the song says

That mountains are still being moved
Strongholds are still being loosed
God, we believe
'Cause yes, we can see it
That wonders are still what you do

And bodies are still being raised
Giants are still being slayed
God, we believe
Yes, we can see it
That wonders are still what you do

We are here for you
Come and do what you do
We are here for you
Come and do what you do
We set our hearts on you
Come and do what you do
'Cause we need a move
We need a move
(Can you shout that out? We need a move)
We need a move, yeah
We need a move

And bodies are still being raised, hey!
Giants are still being slayed, oh!
God, we believe
And yes, we can see it
That wonders are still what you do

We are here for you
Come and do what you do
We are here for you
You're the only thing that matters!
You're the only one that matters
We set our hearts on you
Come and do what you do
Oh, we need you to move
Oh, we need a move
We need a move
Sing, we need a move
We need a move
Oh, we need a move

Miracles happen when you move
Healing is coming in this room
Miracles happen when you move
Heaven is coming
Somebody say it!

Miracles happen when you move
Healing is coming in this room
Miracles happen when you move
Heaven is coming
You got one more time!

Shout it out, sing!

Miracles happen when you move
Healing is coming in this room
Miracles happen when you move
Heaven is coming, oh!

This is a move
This is a move
We're standing in the middle of a move
This is a move
This is a move
It's the one you've been waiting for
This is a move
This is a move
He's about to do what he does
You've been waiting
And you've been fasting
And you've been praying
This is a move
Somebody say this is a move!
Oh, this is a move
Yes it is!
Somebody throw your hands up and say it
This is a move
Oh, this is a move

We are here for you
Come and do what you do
(Somebody say)
We are here for you
Come and do what you do
Set our hearts on you
Come and do what you do
We need a move
We need a move
We need a move
We need a move
Do what you wanna do!
We're waiting on you!
We need a move
We've been waiting for you
Oh, we've been praying for you
We need a move
We've been praying for it
We need a move
We've been fasting for it
We need a move
Oh, this is a move
You've been waiting
And you've been praying
You've been waiting
And you've been praying
For this here right now
Have your way, have your way...
Oh, move by your spirit!
Move by your spirit!
Move by your spirit!
Move by your spirit!
Move by your spirit, God!
This is a move!...
